# Car Tag Program

### Is Pete on Your Tail?

Alumni and friends can now “brag with their tag” by purchasing an OSU license plate from the Oklahoma Tax Commission. The OSU Alumni Association has teamed up with the Tax Commission to redesign OSU’s specialty license plate.

### What the Program Provides

- It features “Oklahoma State” in orange, the letters OSU in a bold black and OSU mascot, Pistol Pete.
- Cost of each plate is \$37 the first year and \$35 renewal, with \$20 going to support Oklahoma State University.

### Who can be involved in the Car Tag Program?

The OSU Tag Program is the perfect way for alumni and other OSU supporters to show their Cowboy spirit while supporting the university and its Alumni Association. Over \$40,000 in scholarships are given to incoming freshman every year with the car tag program, and OSU has led the collegiate tag sales in the state of Oklahoma since the program began.

### How can I get a tag?

Order forms for the new tags are available at tag agencies statewide or from the OSU Alumni Association. After mailing in their forms, customers should allow six to eight weeks for delivery.

For more information or to request an order form, contact Lora Malone at the Alumni Association at 405.744.7503 or email: [lora.malone@okstate.edu](mailto:lora.malone@okstate.edu). Order forms are also downloadable from the Alumni Association website at [orangeconnection.org/cartag](http://orangeconnection.org/cartag).

### What is the Alumni Association?

The OSU Alumni Association serves as a lifelong connection for alumni to fellow alumni and Oklahoma State University. As a member organization, the Association serves more than 200,000 alumni living worldwide, as well as OSU students, faculty, staff and friends. The Association works to cultivate your lifelong relationship with the University to ensure you are always a member of the OSU family. By supporting the extensive alumni network from OSU, the Association provides a connection back to the University through a number of outreach programs as well as a complete directory to connect alumni to each other.
